

VOLUNTEER CENTERS OF SANTA CRUZ COUNTY

To Our Volunteers,

The Volunteer Centers of Santa Cruz County carries \$500,000 in Liability Insurance of two different types:

- The General Liability Insurance provides coverage if you should injure yourself on our premises.
- The Non-Owned Automobile Insurance comes into effect if you should have an accident while driving a client, and your liability is greater than your own automobile insurance limits.

You must carry your own automobile insurance if you will be driving yourself or any clients or other volunteers on Volunteer Center business.
