Seeking a Licensed Clinician to join our CalWORKs Team!

Are you interested in building your private practice and working on a team that fosters flexibility with NO Avatar billing?

- Help empower parents in the CalWORKs program build self-sufficiency, resiliency and family wellness as they work towards employment goals
- Work from the leisure of your own office at the hours of your choosing. Hybrid telehealth/in-person services are offered to enhance flexibility and accessibility for CalWORKs recipients and therapists
- Hours and caseload are determined by clinician capacity. CalWORKs Therapists can work a range of 10 – 40 hours dependent on caseload preference
- ASW or AMFT are eligible to be a CalWORKs therapist

*If you'd like to learn more about our transformative CalWORKs program, or send a resume and cover letter, please contact the CalWORKs Program Coordinator:
