

ADOPT-A-FAMILY: DELIVER TO DONATION CENTER INSTRUCTIONS

Thank you for adopting! With your help we will brighten the holidays for more than 500 local families.

STEP ONE: Shopping

- ▶ Please purchase at least one gift for each family member. We recommend a practical gift like clothing and a fun gift/toy for each child under 16.
- ▶ Please include a grocery store gift card of \$25 per family member.
- ▶ All gifts must be new and unused. For shoes or diapers, we recommend a Target gift card.
- ▶ Please no red or blue clothing or backpacks due to gang affiliation.

PRO Tip: Organize a group and assign each person a family member or grocery gift card.

STEP TWO: Prep Your Gifts

- ▶ Wrap the gifts and label with **the family member's name and their family ID # on every package** (upper right-hand corner of your family form).
- ▶ Put the gifts into boxes or trash bags labeled with the ID #.

PRO Tip: Make it a party! Many volunteers make this an activity at their holiday parties, while still respecting the privacy of their adopted family.
